

FUND OBJECTIVE

The fund is designed to track the performance of the FTSE RAFI® Emerging Markets Index through physical ownership of the shares that constitute the index. The manager has discretion to invest in securities which provide the same underlying economic exposure as the index members. The FTSE RAFI® Emerging Markets Index comprises the 350 largest global Emerging Markets companies as measured by sales, cash flow, net book value and dividends.

FUND MANAGER

Dr. Graham Forster has over 19 years of investment management experience. In previous roles he has managed derivative and indexed portfolios for Abbey Life, Hill Samuel and Deutsche Asset Management.

All data on this Fact Sheet is as at 31 March 2017 and is subject to rounding unless otherwise stated.

* Fund and Benchmark returns are in GBP and calculated as at 12 noon. Fund performance is based on the mid NAV, excluding dilution adjustments, and is net of ongoing costs and fees. Benchmark returns are calculated by taking the price index level at 12 noon and adding back in the total return component for the period.

** Annualised (% p.a.)

1. The Inception-to-Date number (ITD) is the annualised return of the B Share Class since inception on 30/11/2011.

2. Fund performance is based on the mid NAV rebased to 100.
